To whom it may concern;

Wolgast Corporation recently completed the Grove Park Apartments project and Cumberland Services, LLC handled all of our dumpster and recycling services for the project and were on point with our budget. They were extremely attentive to our needs for the project many times emptying dumpsters almost daily and replacing them. They worked extremely well with our schedule and were quick to respond when we needed anything. I would certainly recommend Cumberland Services to anyone and know that they are the only call I will make next time I'm in the area. A personal thanks to Justin Strickland for all his hard work on our project, he definitely took the work out of trash removal.

Sincerely,
